Complimentary Inserts Periodic inclusion of material on legislative advocacy for children, legislative rosters and calendars, overview of early care and education program types, history of early care legislation, and others.

THE UPDATE The ***Legislative Update on Child Development*** is a weekly bill monitoring service on early care and education legislation, published from April to October while the legislature is in session.

Bill Monitoring Service Every bill pertaining to early care and education is listed in the *Update*. Each bill includes a description of its major provisions, any new amendments, the date it was last amended, its current status (including any hearing dates), the name and the phone number of the sponsoring organization (if any), and the name and phone number of the consultant. Bill information is updated at the close of each week and mailed first class to subscribers. The final issue provides a complete report on all child care bills, including the chapter numbers of new laws and the governor's veto messages.

News briefs Announcements of legislative deadlines, special hearings, budget proceedings, and other child care-related actions and events appear at the beginning of each *Update*.

REPRINT SERVICE Available only to OTCD subscribers, this service allows limited reproduction of OTCD articles and bill analyses. Participants also receive a 10% discount on all OTCD supplemental publications. For subscribers to the Newsletter or Update, the annual cost is an additional \$250. One-time reprinting of articles may be done with prior authorization and a charge of \$50/article.
